

## **WHEN DARKNESS DESCENDS**

### **Trusting God's sovereignty in suffering and trials**

The scriptures are clear that suffering and trials are to be expected this side of heaven. But how do we live the life of faith in the midst of that? Learning to trust God's sovereignty & being able to say 'God is good' in the midst of suffering is one of the clearest expressions of faith.

The book of Job tells the story of a man going through extreme suffering and pain, yet even in the darkness he seeks after God. Whether we ourselves are walking through good times or bad, God gives us this book to help us walk by faith towards that new creation.
